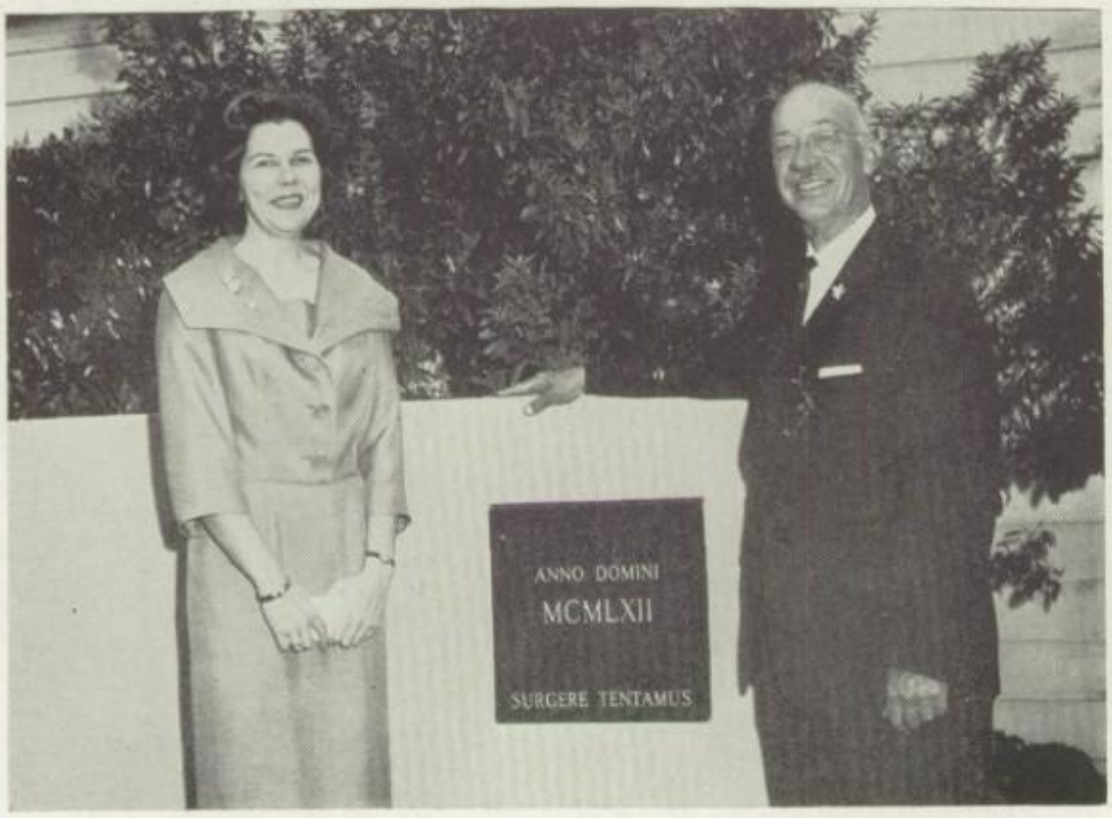
CORNERSTONE LAYING CEREMONY

On Monday, April 9 Miss Elizabeth Edmundson, Mrs. Joan Irvine Burt, and Dr. Frederick Hard dedicated the new classroom building in honor of Mary Lowther Ranney. This building will replace the old Ranney House which is to be torn down during the summer.

The entire student body was present at this memorable event which marks the passing of fifty years in Westridge history. The new buildings promise new opportunities in educational excellence.



The plaque for the new library and study hall was also unveiled. This building will take the place of the old study hall and will have a library above the new one.
